

# 2007 FLEET TROPHIES & ROSTER

## Fleet Trophy Scoring

Fleet Captains annually designate the qualifying regattas that count toward the GSBYRA Fleet Trophy scoring. Fleet Trophy winner names, club, and sail numbers are bold faced below their class and photograph. Names of other fleet members, clubs, and their sail numbers are listed from Invitational Regatta participation. Most fleet members also participated in Junior Regattas. Fleet members designated with (JR) after their name participated only in one or more Junior Regattas.
