

GSBYRA CHAMPIONSHIPS

GSBYRA Policy of Financial Assistance for Winners of GSBYRA Events to Advance to Middle Atlantic Midget, Area B, and US SAILING National Events

Great South Bay Yacht Racing Association promotes participation in the following Middle Atlantic Midget Championships:

GSBYRA	Middle Atlantic
Orr Trophy	Mergenthaler
Picken Trophy	Great South Bay

and the following US SAILING National Championships:

GSBYRA	US SAILING
Shinnecock Bowl	Smythe Trophy
Patin Plate	Bemis Trophy
Gulden Trophy	Sears Trophy
Westin Trophy	O'Day Trophy
Fenner Bowl	Mallory Cup
Morgan Trophy	Adam's Trophy
George Furman	Prince of Wales

The finances to provide support for GSBYRA Championship winners to advance to Middle Atlantic Midget Championships, Area B Championships or to US SAILING National Championships are derived from the entry fees paid by each Member Club for its entrants into GSBYRA events. These collected fees are segregated into a separate account to cover future expenditures.

GSBYRA is obligated to provide trophies on a rotating basis with the other invited organizations for the both the Midget Challenge and the Junior Challenge. GSBYRA provides the trophies for 2009.

GSBYRA commits to pay the following expenses and fees for the GSBYRA entrant who qualifies by sailing in the GSBYRA elimination event to participate in the next level

event, either the Middle Atlantic Midget or the Area B Championship:

- Entree fees to that level event,
- Damage deposit to that level event,
- Boat charter fee if applicable,
- Borrowed boat insurance, and
- Incidental fees charged at that level.

Some Area B and Middle Atlantic Midget events are open to permit the Associations to send two or more entrants to the event. They are subject to change annually, and GSBYRA continues to support only its number one qualifying entrant who sails in the qualifying GSBYRA event. Additional Area B Championship entrants and additional midgets from GSBYRA that qualify and are subsequently invited to participate in the Midget Challenge at the US Coast Guard Academy, when invited to participate, do so at the entrants own expense, and receive no financial support from GSBYRA. If GSBYRA decides it has sufficient reserves to support a second team, that team shall only be one that qualifies by entry through their club and that pays the required entry fees and participates in the qualifying GSBYRA event.

GSBYRA commits to pay the following expenses and fees for the GSBYRA entrant who qualifies by sailing in the GSBYRA elimination event to participate in the US SAILING National Championship event:

- Airfare (coach) to the National event,
- Entree fees to the National event,
- Damage deposit to National event,
- Boat charter fee if applicable,
- Borrowed boat insurance, and
- Incidental fees charged by the event.
