

## **Results August 9th 2016 Team Race at POWYS**

Six teams competed in the 2nd team race of the season in perfect team racing conditions. We had South Wind gradually increasing from 5 to 10knots, and completed 20 races. Bellport dominated in impressive fashion, winning all of their races with aggressive strategy. POW2 sailed fast and stayed out of trouble. They came within boat lengths of beating Bellport in the final race, but came up just short. Wet Pants beat POW1 for the 3rd place tie breaker.
