

Results July 19th 2016 Team Race at POWYS

Six teams competed in the first team race of the season. The wind (North 15-20 knots) was much stronger than predicted, and often times several boats were capsized. Coaches helped ensure sailors were safe and equipment stayed strong. 15 races were scheduled, but after racing the 10th race, all races were cancelled. Westhampton did the best job of surviving the heavy air and finished the day with 3 wins and 0 losses.
